

The NSNC Mission

To establish high-quality,
groomed Nordic trails for the
enjoyment of all
Flathead Valley residents.

The North Shore Nordic Club (NSNC) works to provide a quality trail skiing experience for skiers of all ages and skill levels. Club members volunteer their time on an almost daily basis to make sure trails in three different locations are groomed and ready for public use throughout the winter. Nordic skiing, a family-oriented, human-powered form of outdoor recreation and exercise, is a particularly excellent way to enjoy the beauty of the south Flathead Valley. Please support us in our on-going efforts to provide access for all in this traditional, healthful and *fun* sport!

Supporters

Our sincere thanks to the
following donors and supporters:

Advanced Rehabilitation Services
Cafe of Life
City Market & Deli
Community Foundation for a Better Bigfork
Designworks
Ford Construction
Great Northern Foods
Great Northern Veterinary Center
Gunn Gardening

(formerly the Bigfork Nordic Skiing Club)

The NSNC maintains and grooms
trails for the enjoyment of all
Nordic skiers at BLACKTAIL
MOUNTAIN and FOOTHILLS
ROAD. The existence of these
groomed trails is
completely dependent upon
private donor support.

Please help if you can!

Goals and Details

Our goal: to acquire adequate funding from grants and private donations to maintain the North Shore Nordic skiing trail locations each winter season.

Needs: For the current 2008-2009 season, **\$25,000** in funding is necessary for equipment (2009 Skidoo Skandic snowmobile, YTS Roller and storage container), fuel, maintenance and land lease fees.

Trails: High-quality nordic skating lane and classic (diagonal) technique tracks laid for the entire length of the trail system at each of three nordic areas in the South Flathead Valley.

Season: Grooming starts with the first available snowpack above 4 or 5 inches (typically the 1st or 2nd week of December).

Snow: Most trails exist in location with above-average snowfall for areas of similar elevation in the Flathead Valley.

The Benefits

■ Provide the residents, families and local schools in the Flathead Valley (and particularly in the Lakeside/Somers/Bigfork areas) with a *local* alternative for winter activities.

■ Increase tourism and recreational opportunities on the North Shore of Flathead Lake during what is traditionally the area's slowest visitor season.

■ Enhance opportunities to establish winter recreation and educational activities for youth and school programs.

■ Establish quality Nordic sites to foster new—and revive old—interest in outdoor winter activities.

How You Can Help

Please make a tax deductible donation.

North Shore Nordic Club (*operating under Glacier Nordic Club*) is a tax-exempt 501(c)(3) entity. Tax ID #36-3442067.
